

# CONVIVENCIA

Representations, Knowledge and Identities ( 500 - 1600 a.d.)

## CONFERENCE

**CONVIVENCIA** is traditionally the term for designing the cooperative and conflictual coexistence of Jewish, Muslim and Christian communities in the medieval Iberian Peninsula and the broader Mediterranean area. The conference will study this phenomenon with regard to the interacting dimensions of

**representations, knowledge and identities**

Principal questions of the conference includes:

- The appropriation of past forms of art and science in new contexts
- Representation of contact and conflict in texts and images
- Transmission and transformation of institutional and legal models
- Spaces of Convivencia (learnig places, sacred and profane spaces, etc.)
